

Coeus NSF Codes for Engineering, Sciences, *and* Non-science and Engineering

A: ENGINEERING

- A01: Aeronautical and Astronautical – Engineering
- A02: Bioengineering/Biomedical – Engineering
- A03: Chemical – Engineering
- A04: Civil – Engineering
- A05: Electrical – Engineering
- A06: Mechanical – Engineering
- A07: Metallurgical and Materials – Engineering
- A99: Other – Engineering

B: PHYSICAL SCIENCES

- B01: Astronomy – Physical Sciences
- B02: Chemistry – Physical Sciences
- B03: Physics – Physical Sciences
- B99: Other – Physical Sciences

C: ENVIRONMENTAL SCIENCES

- C01: Atmospheric – Environmental Sciences
- C02: Earth Sciences – Environmental Sciences
- C03: Oceanography – Environmental Sciences
- C99: Other – Environmental Sciences

D: MATHEMATICAL SCIENCES

- D01: Mathematical Science

E: COMPUTER SCIENCES

- E01: Computer Sciences

F: LIFE SCIENCES

- F01: Agricultural – Life Sciences
- F02: Biological – Life Sciences
- F03: Medical – Life Sciences
- F99: Other – Life Sciences

G: PSYCHOLOGY

- G01: Psychology

H: SOCIAL SCIENCES

- H01: Economics – Social Sciences
- H02: Political Science – Social Sciences
- H03: Sociology – Social Sciences
- H99: Other – Social Sciences

I: OTHER, n.e.c.

I01: Other, n.e.c.

Codes to use for non-science and engineering fields

J: NON-SCIENCE AND ENGINEERING FIELDS

J01: Education – non-science and engineering fields

J02: Law – non-science and engineering fields

J03: Humanities – non-science and engineering fields

J04: Visual and Performing Arts – non-science and engineering fields

J05: Business and Management – non-science and engineering fields

J06: Communications, Journalist, and Library Science – non-science and engineering fields

J07: Social Work – non-science and engineering fields

J99: Other – non-science and engineering fields

J98: Costs to be allocated

Z: Costs not included in NSF Report

Z99: Costs not included in NSF Report – used for reconciliation purposes
