

Creating a Dimensions Account

Follow these four easy steps to create your Dimensions account, which will enable you to fully utilize the application while on campus. **You will not be able to access off campus.**

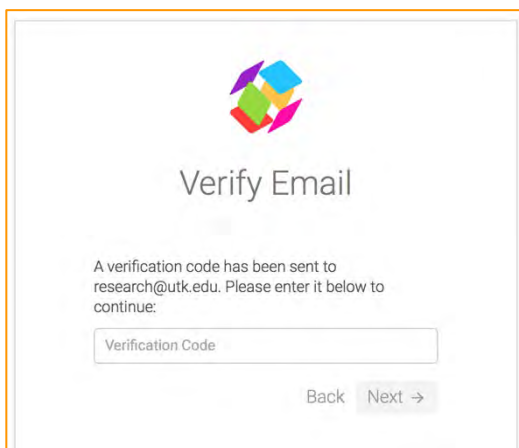

1—Go to dimensions.ai and click on “Access Free App” on the right-hand side of the homepage and then choose “Register.”

2—Enter your email in the provided space.

3—You will receive an email with a verification code. Enter that code in the provided space.

4—Your email will automatically populate in the first field. Fill out your name, password, institute, and position on the “Create an Account” screen. Please use “University of Tennessee” for the institution name.
